

WELCOME

There's a lot going on right now, to say the least. At Warren RECC, we consider you family and we want to share as much information as we can. To that end, we've developed this newsletter to keep you as informed as possible. We will share any company updates we have, and we'll try to have a little fun, too.

STATUS UPDATE

As of April 8, we are operating at a **LEVEL 3** response. For you that means:
