

WEEK 7

Welcome to Week 7 of our COVID-19 newsletter. The first week of economic reopening is in the books! This week, we'll see churches reopen and even some restaurants and retail back open with reduced capacities. We'll also take time out to honor our fallen soldiers on this Memorial Day weekend. In this week's newsletter, we'll share some resources to help make sure you are prepared for life's "new normal".

STATUS UPDATE

As of May 20, we are operating at a **LEVEL 3** response. For you that means:

- Warren RECC lobbies are CLOSED
- Drive-thru windows are OPEN
- Visitors are asked to reschedule unless it is an emergency

Visit www.wrecc.com to make payments or to apply for service.

Warren RECC

A Touchstone Energy
Cooperative 

TEAM KY FUND

The Team Kentucky Fund to benefit Kentuckians who need help with payments such as rent and utilities is now up and running! Recipients can receive up to \$1,000 per family. Applications and more information about the program can be found [here](#).

SPRING LIHEAP

LIHEAP has received additional federal dollars to assist those affected by COVID-19. The spring enrollment has been extended until June 30, 2020 or until funds run out. **If someone has already received LIHEAP, they ARE still eligible to receive funds during this time.** LIHEAP is administered through the Community Action Agency. Local Community Action Agencies can be located [here](#) or on Warren RECC's [COVID-19 information page](#).

COMMUNITY

TVA has created a \$2 million fund to partner with LPCs to help our local communities. Warren RECC is pleased to announce a \$40,000 donation to benefit our Operation Warm Hearts program as well as food banks in our local communities. For information on the Operation Warm Hearts program, please contact your local Community Action agency. To find your local agency, visit www.capky.org.

VETTEACADEMY

Have a budding car enthusiast in your house? The National Corvette Museum has created [VetteAcademy](#) - a new series geared towards school-age kids that offers at-home educational and entertaining episodes on various aspects of the Corvette. Great for all ages, even your big "kids"!
