THANKSGIVING

In response to the growing number of COVID-19 cases in the state, Governor Beshear has asked Kentuckians to limit Thanksgiving celebrations to those within your immediate household. According to a Daily News poll, roughly 2/3 of local families are changing their plans in response. Click [here](#) to read more on the Governor's guidelines for a safe and healthy Thanksgiving.

ASSISTANCE

On November 17, Warren RECC resumed disconnecting service for non-payment, in accordance with Governor Beshear's Executive Order 2020-881. We understand these are difficult times. Please note that assistance is available from various sources through your local Community Action. To locate your local office, visit www.capky.org.

Local Christmas celebrations may look a little different this year, but that didn't stop one Edmonson County man from bringing cheer throughout his community. According to the [Edmonson Voice](#), a local man created a 30 foot Christmas tree entirely out of bourbon barrels. Read more [here](#) or stop by and see it at 2326 Chalybeate Road!
